## HOME SHARE OPPORTUNITY

### **“SHARE YOUR HEART – SHARE YOUR HOME!”**

Bethesda Christian Association’s mission is to support people with disabilities and their families with the attitude and motivation like that of the Good Samaritan. Bethesda’s ministry is a Christian faith-based service.

Home Share is a family-style arrangement where a family or single person cares for an individual with intellectual disabilities in their home, providing 24 hour care. Bethesda is looking for dedicated individuals, couples or families who have a calling in their heart for this kind of unique work.

*A compatible placement enriches the lives of the individual  
and the lives of the home share family.*

Bethesda is seeking a loving Christian home in the Abbotsford area to provide care to a middle aged male. He is 47 years old, loves watching sports and has a sense of humor. He also attends a day program in Abbotsford three days per week, and is involved with his family. A rancher style home is required. A couple with no young children at home would be preferred.

A suitable contract will be established and Bethesda will provide ongoing support to the individual/couple/family providing care.
