Home Share Opportunity

“Welcoming an individual with special needs into your home”

Bethesda is seeking warm and loving Christian homes in the Fraser Valley area, Langley through to Chilliwack. Home Share is a family-style arrangement where a family or single person cares for an individual with intellectual disabilities in their home, providing 24 hour care.

*A compatible placement enriches the lives of the individual
and the lives of the home share family.*

A suitable contract will be established. Bethesda will provide ongoing support to the individual/couple/family providing care.
