

# Director, Financial Operations

35 hours per week  
Squamish

We're looking for a manager to oversee the financial performance of the organization.

Your job would be to:

- Ensure that all financial aspects of SSCS's operations are managed in a responsible manner.
- Provide leadership and primary support to the finance team to facilitate the execution of their responsibilities.
- Provide internal and external stakeholders with necessary financial information and reports in a timely manner.

You'd report to the Executive Director and be a part of a larger management team.

Would you be right for this varied, rewarding job? You'd need:

- A degree in Accounting or Business Administration or diploma plus completion of a recognized accounting designation such as CA, CGA or CMA;
- Three (3) to five (5) years of finance and supervisory experience
- Or an equivalent combination of education, training and experience
- Sound knowledge of Generally Accepted Accounting Principles (GAAP)
- Experience in project and fund accounting
- Strong knowledge of accounting database systems such as Comvida Financial Management Software or equivalent accounting systems
- Computer competency in word processing and spreadsheet software, as well as e-mail and the Internet
- Experience in the not-for-profit sector a strong asset

This job requires occasional evening and weekend work. This job offers a good salary and benefits package, and the ability to work a flexible schedule.

**Apply today – deadline April 18, 2017**
