

Bethesda
Faith. Service. Inclusion.

Are you looking for an exciting and meaningful opportunity to impact someone's quality of life?

Are you able to provide a supportive home?

Bethesda may be looking for you!

Home Share is a family-style arrangement where a family or single person provides care for a person with intellectual disabilities in their home, providing 24-hour care. A compatible placement enriches the lives of the person supported and the lives of the home share family.

We are looking for caregivers who

- will provide a home that supports a person's needs, goals and dreams
- will welcome a person into their home and offer a warm and inclusive living environment
- will develop and nurture positive relationships with the people who are important to the person receiving support
- will provide for the safety, support, supervision and general well-being of the person in their home.

You will receive

- opportunities for learning and growth
- monthly payments and ongoing support from Bethesda
- the blessing of sharing your life
