Home Share Opportunity

Mission, BC

Home share is a family-style arrangement where a family or single person care for a person with diverse abilities in their home, providing support as required by the person being supported, as needed. *A compatible placement enriches the life of the person supported and the lives of the home share family.*

Bethesda is seeking a loving Christian home in the Mission area to provide care to a social young man in his 30's. A home without young children or animals would be preferred. He may require some reminders regarding his personal care. He would prefer his own separate living space. Some hobbies that he enjoys are attending community events, being outdoors, playing video games and board games.

For more information about home share, including frequently asked questions, or to request an application package, please visit bethesdabc.com/home-share-contracts/ or contact Karis at 604-850-6604 x 315

Bethesda's mission is to support and empower people with diverse abilities and their families, experiencing the joys and challenges of life together. Bethesda's ministry is a Christian faith-based service. For more information about Bethesda, please visit our website at www.bethesdabc.com.
