

**Job Title:** Shared Living Provider

**Wage:** This is a contracted position. The fee varies based on CLBC approved funding support levels

**About Community Ventures Society:**

Community Ventures Society (CVS) is a small non-profit agency providing services to adults with developmental disabilities and children & youth with special needs since 1978. CVS strives to create inclusive communities where people belong and help those that we support to choose how they live their lives through advocacy, innovation, and collaboration.

**Job Description:**

Shared Living offers an alternative to staffed residential homes by providing an individual with the opportunity to share their life and build relationships with a family, or a person who has expressed an interest in sharing their home. Please note that this is a contracted position.

**What you bring to the job:**

As a shared living caregiver, you will be opening your home to an individual who needs specialized support. You will provide them with a comfortable home environment, as well as supporting them to meet their physical, emotional, and social needs, ensuring that the person living with you has opportunities to be a part of your family and share in activities in the home and the surrounding community. You also have some experience supporting adults who have disabilities.

If this sounds like something you are interested in, please submit your resume and cover letter with a brief description of yourself, your family, and your home.

**Other Requirements:**

Current First Aid (or willingness to obtain)  
Valid driver's license  
Clear Criminal Record

**How to apply:**

Please send your resume to Salima Ladha at [salima.ladha@communityventures.ca](mailto:salima.ladha@communityventures.ca) or call 604-939-8070.
