## **Home Share Opportunity**

### **Abbotsford, Mission and Chilliwack, BC**

Home share is a family-style arrangement where a family or single person care for a person with diverse abilities in their home, providing support as required by the person being supported, as needed. *A compatible placement enriches the life of the person supported and the lives of the home share family.*

We are looking for dedicated people, couples, or families in the **Abbotsford, Mission, and Chilliwack** areas who have a calling in their heart for this unique work. A suitable contract will be established with monthly compensation rates as set by Community Living BC, including respite hours. We provide ongoing support to the person, couple, or family providing care.

For more information about home share, including frequently asked questions, or to request an application package, please visit [bethesdabc.com/home-share-contracts/](https://bethesdabc.com/home-share-contracts/) or contact Karis at 604-850-6604 x 315.
